

Policies

Each group is responsible to adhere to the policies of Moms In Touch International.
They are NOT optional.

1. Any individual or group not adhering to the Moms In Touch International Statement of Faith or Policies shall not have the right to use the MITI name or logo, nor represent MITI in any manner.
2. Moms In Touch International is not a lobbying group, regardless of how worthy the cause. Participation in outside political and social issues must be done solely on an individual basis. Under no circumstances should the MITI name be used in conjunction with outside issues.
3. Confidentiality brings integrity to the ministry; therefore, all prayer requests must be held in strictest confidence.
4. Moms In Touch International groups are not to hold their meetings on public school campuses. We pray *for* the schools, not *in* the schools.
5. Moms In Touch International prayer groups are not to solicit prayer requests nor place a prayer request box in any public school facility.
6. Moms In Touch International groups are not to use the public schools to solicit membership.
7. Unauthorized use of the Moms In Touch International name or logo is prohibited. It is the trademark of the MITI ministry, and its use requires the express, written permission of the Moms In Touch International.
8. MITI rosters are for Moms In Touch International use only. Under no circumstances are they to be used by, loaned to or shared with any other individual, organization, business or outside group.
9. No form of advertisement may be placed inside or on any MITI materials.
10. To allow for conversational prayer in one accord during the MITI hour, refrain from speaking in tongues out loud, praying the rosary or using contemplative prayer practices, which can include meditation that encourages the emptying of one's mind, prayer labyrinths, breath prayers (saying one word repetitively) and centering prayers (use of a mantra).
11. Moms In Touch International groups are not to engage in gossip or any conversation of a critical nature.
12. Moms In Touch International prayer groups are specifically for women.
