

Fourth Grade Book Report

We hope you enjoy the literature selections that you choose to read this summer. Make sure that the book selected is from our 4th grade list. You will need to complete the following steps and be ready to present on the first day of school:

1. After reading your book, please place 6-8 items in a bag that are related to the story. Example: If your book takes place in the winter, you might include a snow-related item.
2. Be able to tell me 3 things you have in common with the main character.
3. When you present this to the class, you will need to be able to explain the significance of your objects as related to your story. In addition, you must be able to communicate what you and the main character have in common.
4. Since there is not a written paper for this report, we expect you to be well-prepared in sharing the above information. Practice, practice, practice.

Enjoy reading your books. We cannot wait to hear what you have to share. Have a wonderful summer!
