

Fifth Grade Summer Reading 2020-2021

Required 5th grade Summer Reading:

All rising 5th grade students will be reading for the summer, The Magician's Nephew, by C.S. Lewis.

Returning students will receive a copy of the book at the end of the Fourth grade year.

We will spend the first three weeks of school studying The Magician's Nephew. **To help prepare for this, students will need to complete the following:**

- 1. Using a single subject spiral notebook, (this same spiral notebook will serve as our chapel notebook for the remainder of the year) students will write a three to four sentence summary after reading each chapter.**
- 2. Please use a new notebook page per chapter.**
- 3. Title each page with the chapter number.**
- 4. There should be 15 total summaries in all.**

This will help each student to remember his or her reading from the summer. **Students will bring the book and the completed summaries in on the *first day* of school.**

Happy Reading!
