

Parent Participation Policy 2020-2021

Parent involvement is an essential part of a student's education at Providence Christian Academy. An hourly point system has been established whereby a parent may fulfill his/her annual parent participation requirements of a minimum of 24 points (12 per semester). With the exception of the 2 mandatory parent participation activities, each hour served is worth one point. Both parents are required to fulfill point requirements and log them online separately. Please be aware that some activities are mandatory and the remaining hours can be made up of any activities. Volunteer service hours should be recorded on the individual parent portal through RenWeb.

Please note that ANY time you are volunteering, providing assistance to PCA, or attending a PCA event may be recorded as participation.
