2020 COVID-19 RESPONSE

Students at Providence Christian Academy attended school virtually for the entire 4th quarter of the 2019-2020 academic year. In fact, the school only lost two instructional days in response to the COVID-19 pandemic. The academic calendar, grading scales, and graduation requirements all remained the same. Students engaged in course content through google classroom, various asynchronous applications, as well as synchronous meetings through Zoom. Teachers continued regular instruction through alternative means, but in many cases continued direct instructional methods. Student progress was gauged through regular formative methods as well as summative assessments. The one exception to this was the cancellation of semester exams.
