REMINDERS

Creative Writing Club begins for 4th and 5th grade third quarter! This optional activity will meet three times during lunch. Each grade/class will have a particular day assigned. Students should come prepared to free write the first 5 minutes. The remaining time is reserved for sharing a sample of their work. **Emphasis will be on creativity, kindness in response to one another, as well as forming connection with fellow writers.**

LUNCH BUNCH RESUMES

During second quarter, a special Connection series Lunch Bunch launched for 4th and 5th grade girls. It was a great time of growth and discussion. This quarter, 2nd - 5th will resume at least one LB to check-in and socialize together (boys one day, girls another). Lunch Bunch is in addition to CW Club, and your student can attend both! A Sportsmanship/Leadership LB is currently in the works for 4th and 5th grade boys. Stay tuned as details develop!
